I would like to express my heartfelt thanks for your amazing online lecture and discussion on “**Revenge Tourism**” held on 6th December, 2021 on Teams presented to academic society of the Old Polish University in Kielce and two local partner high schools. Thank you so much for sharing your time and experience with us. Your ability to present the subject in such an interesting way produced one of the most memorable event for the group of participants. It would be our immense pleasure to invite you once more to spread awareness around the subject in the near future.

I look forward to our next meeting soon. Wishing you all the best for your future endeavors.
